

Problem-Solution Fit

Fit Buddy AI – AI Fitness Plan Generator using Gemini Models

Generative AI Project | FastAPI + Google Gemini

Mariya Darshini (Team Leader), S. Harini, R. Subhashri, S. Mythili

Problem

Workout planning is often generic, hard to personalize and difficult to adjust when a user's needs change.

Solution fit

FitBuddy AI brings plan generation, nutrition / recovery guidance and feedback-based revision into one interface and uses Generative AI to turn the user's details and goal into a structured 7-day plan.

Value

The design shows a clear connection between user needs, inputs, AI processing, stored data and actionable output.
